

Employee Leave Policy

1. Annual Leave

Employees are entitled to 20 days of annual leave during each calendar year. Annual leave can normally be taken in full days or half days, subject to business requirements.

2. Leave Application

Employees should submit annual leave requests at least 5 working days before the planned leave date. The request must be approved by the employee's manager before the leave begins.

3. Emergency Leave

In an emergency, an employee may notify the manager as soon as reasonably possible. Emergency leave is subject to manager approval and applicable company rules.

4. Carry Forward

Employees may carry forward up to 5 unused annual leave days into the following calendar year. Any additional unused days may expire unless an exception is approved by the organization.

5. Public Holidays

Public holidays are separate from annual leave and do not normally reduce an employee's annual leave balance.
